

We are looking for distributors in several markets

In order to be at the forefront of continued growing demand and interest from customers in global markets, we are looking for distributors to represent and sell the JibFlex product.

We focus on quality and therefore lead to ambitious distributors with extensive knowledge as well as a wide network within one or more of the following industries:

- 
- **Wind industry**
 - **Oil and Gas industry**
 - **Military industry**
 - **Mining industry**
 - **Pharmaceutical industry**
 - **Construction (HSE+OEM)**

Geographically, we are looking for distributors in the following countries:

- **DACH countries**
- **Benelux countries**
- **UK**
- **Spain**
- **France**
- **Russia**
- **USA**

We offer our distributors a unique and attractive quality product, which will be marketed in close cooperation with us.
